HOT SHEET

IF YOU THINK A FELONY IS "NO BIG DEAL..." THINK AGAIN!

This list is provided to you as a courtesy from a current member of the OKLAHOMA CRIMINAL DEFENSE LAWYERS ASSOCIATION. The Association is the oldest organization in the State of Oklahoma dedicated to attorneys who actively practice criminal defense law.

Both felony and misdemeanor convictions harm you today and shadow your future. State statutes broadly define felony crimes. The following criminal offenses can result in felony convictions:

- | | | |
|----------------------------------------------|------------------|-------------------------------------|
| ◆DUI
(second offense) | | ◆Shoplifting
(over \$50) |
| ◆Bogus Checks | ◆Sexual Battery◆ | ◆Date Rape |
| ◆Possession of Marijuana
(second offense) | | ◆Domestic Abuse

Both misdemeanor and felony arrests and convictions will stay on your permanent arrest record. Offenses you commit today will be with you for a lifetime.

Your record is serious business
